Rebuilding a Country in Turmoil, from Within

**“The object of persecution is persecution.
The object of torture is torture.
The object of power is power.”**

- *George Orwell (Eric Blair)*

This Sunday concludes Part 1 of Inside Perspective radio series. Sunday will be the last opportunity through Part 1 of this programming for you to learn how to effectively change a country in turmoil from within by saving lives and freeing slaves in Sudan. The world is getting smaller and what happens in Sudan today, WILL affect you tomorrow. Just as the US government failed to support Afghanistan after the war with the USSR, so we are failing to rebuild Southern Sudan in an effective way. Refugees from the Darfur genocide are flooding into the safe region of Southern Sudan - an already fragile system. You can help prevent a less than desirable outcome at the grassroots level but this will call for your participation. ***Are you up to it?*** Join me on Sunday with friend and colleague **Pastor Heidi McGinness, Director of Outreach for Christian Solidarity International** as we share the great news of the New South Sudan and how you can make a real difference in the rebuilding of their communities, and affect the future of your own families.
